WASHINGTON, Jan. 13 (AP).—The Federal Bar Association of New York, New Jersey and Connecticut, has urged members of Congress to approve measures calling for the establishment of permanent Federal judgeships in New Jersey.

In a letter addressed to the members, the association pointed out that the death of Judge Runyon created a vacancy in New Jersey which should be filled to handle the number of cases on the dockets. The Runyon judgeship was temporary and expired with his death.

Senator Kean, of New Jersey, has introduced a bill creating two permanent judgeships in New Jersey. Representative Perkins, of Bergen County, introduced a measure creating a single judgeship to succeed that held by Runyon.
