COMMITTEE BACKS JERSEY JUDGE BILL

WASHINGTON, Feb. 9 (AP).—The House Judiciary Committee today approved the Perkins' bill to create a new federal judgeship for New Jersey.

The bill will be favorably reported to the House for action within the next few days.

Provision was made in the measure for the permanent appointment of a Federal Judge to succeed the late William A. Runyon, of Plainfield. Runyon's place on the bench expired with his death. An act in 1922 created several temporary judgeships throughout the country, when the courts were clogged with prohibition cases and temporary judges were named for life to relieve this condition.

WALKER IS HELD AS IMPERSONATOR

Harry J. Walker, 35, of Philadelphia, is being held at Police Headquarters, pending arraignment on a charge of impersonating a Federal agent. He was arrested by Traffic Policeman Hughes at State and Warren Street last night, after a man asked him to arrest Walker for attempting "to shake me down." Walker also is said to have fleeced a saloonkeeper here of a considerable amount of money.

SHREWSBURY ESTATE RAIDED BY TROOPERS

SHREWSBURY, N. J., Feb. 4 (AP).—Federal prohibition agents, aided by State troopers, arrested two men in a raid on 3,500-gallon wood alcohol refining plant in a barn on the Anna Bushhauer estate today.

The men, arrested while the plant was in full operation, said they were Joseph Pinkley, 31, of Asbury Park, and James Fletcher, 35, of Oakland. At the same time, 2,500 gallons of alcohol, which agents said was output of the plant, was seized.

The prisoners were to be arraigned before a United States commissioner in Newark.
